

Assignment 1 feedback for Yingpeng Tan (739674)

Criterion	Available marks	Your mark
Q1 - Geometry		
Q1 total	3	3
Q2 - Filtering		
Q2 total	3	3
Overall mark for Assignment 1	6	6

Personal feedback

Q1: Nice! Correct solution with a clear explanation and diagram. Q2: Good attempt of using bandpass filters. However, some of your code cannot produce the result it claims and it also lacks explanation. Should pay more attention to the threshold selection.
